

CYBER DOMAIN AND SPACE DOMAIN SYSTEMS
CONFERENCE AND EXPO

18–20 November 2025
National Convention Centre,
Canberra, Australia

Kinetic IT

Find us upstairs at Booth 28/29

Company Profile

Kinetic IT is proud to sponsor the 2025 MilCIS Conference and Expo, supporting Defence as it navigates increasingly complex digital and geopolitical environments. As a 100% Australian-owned technology partner, we bring sovereign capability, proven performance, and deep domain understanding to some of Defence's most critical ICT programs. In a world where stability, integration and resilience are paramount, our commitment is to deliver secure, dependable, and adaptable solutions that strengthen Australia's mission readiness. With a track record in managing risk and maintaining continuity in high-pressure environments, we work side by side with Defence to build integrated, future-ready systems that meet the moment — and prepare for what's next.
